## Digital fact finding mission from Iraq to Germany on Waste Management & Recycling

7th – 9th of September 2020

On behalf of the German Ministry of Economic Affairs and Energy, MENA Business GmbH is organizing a virtual fact finding mission on the subject of Waste Management and Recycling for the buyers and multipliers from Iraq. The program is facilitated in cooperation with the German Liaison Office for Industry and Commerce in Iraq and supported by the German RETech Partnership e.V., Nuremberg Chamber of Commerce and Industry, BlackForest Solutions GmbH and the University of Rostock / Faculty of Agriculture and Environmental Studies. The current situation and the effects of the global corona crisis do not allow physical implementation of the program on site. The project is supported within the Market Entry Programme of the Federal Ministry for Economic Affairs and Energy.
